## Target Markets

Medical, Building-Control, Instrumentation / Sensor Technology, Industrial Automation & Control, Power Drive & Solar Engineering, Transportation, Security, Military, System-Integrators, Distributors, etc.

## Zielmärkte

Medizin, Haustechnik, Instrumentation / Sensorik, Industrieautomation, Antriebstechnik und Solar, Verkehrstechnik, Militär, Systemintegratoren, Distributoren, usw.

## Components

Timing Products, Crystals, Oscillators, RTC's, High Quality Passive Products, Protection Circuits, Connectors, Cable Assembly, Switches, Heat Sinks, Terminal Blocks, Batteries, Battery-Holder, Microcontroller and Peripheral Products, Optoelectronics, Sensors, Wireless Solutions

## Elektronische Bauelemente

Quarze, Oszillatoren, RTC's, Hochwertige Passive Bauelemente, Sicherungselemente, Steckverbinder, Konfektionierte Kabel, Schalter & Kühlkörper, Klemmen, Batterien, Batteriehalter, Halbleiterbauelemente & Peripherieprodukte, Optoelektronik, Sensoren, Funktechnik

## Embedded Systems Products

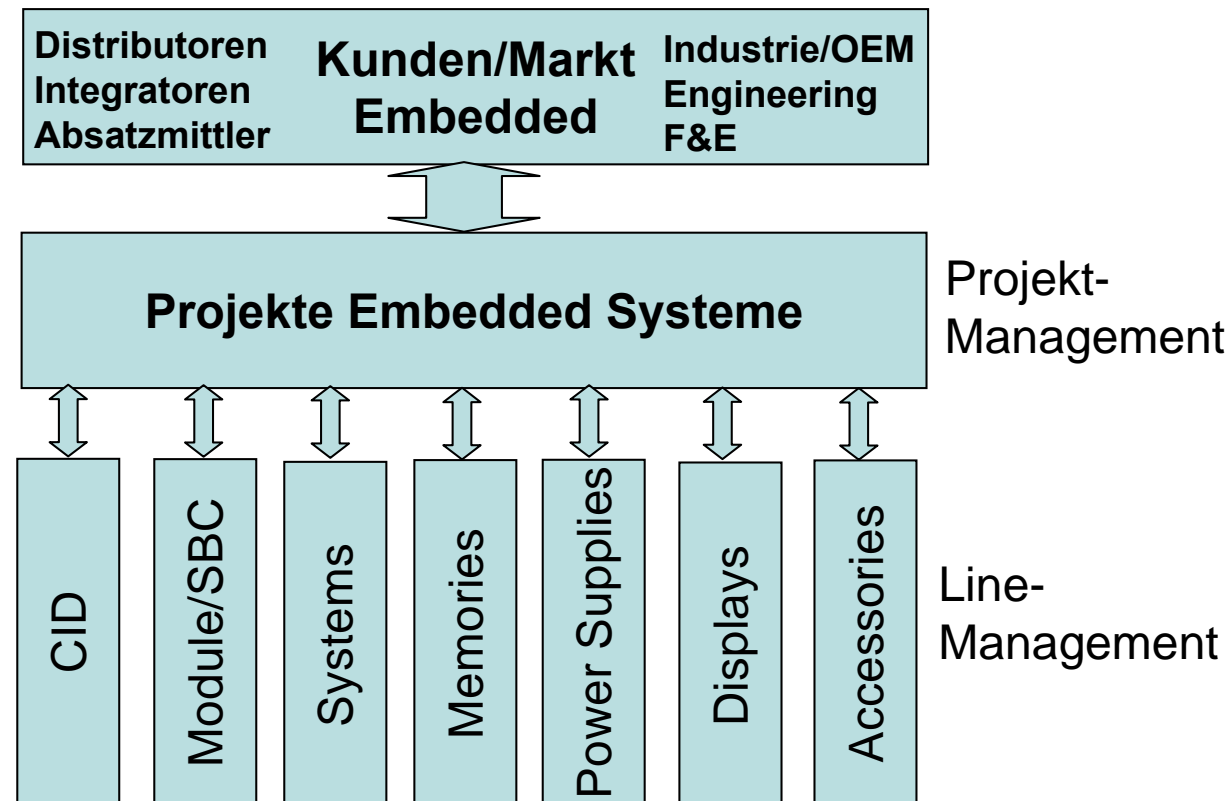

Computer Input Devices, Computer-On-Modules, Single Board Computer, Compact PCI, MicroTCA, Slot-CPU's, Industrial Motherboards, fanless Box-Pc's, Panel-PC's, HMI's, Rugged Mobile Computer, Medical PC's and Displays, Power Supplies, Memories, Displays, Accessories

## Industriecomputer Produkte

Computereingabegeräte, Computer Module, Single Board Computer, Compact PCI, MicroTCA, Slot-CPU's, Industrie Motherboards, lüfterlose Box-Pc's, Panel.PC's, HMI, Robuste Mobile Computer, Medizin PCs und Bildschirme, Stromversorgungen, Speicher, Displays.
