

# Welcome

**ineltro**

# Distribution With Passion

# About us

**in**e**l**tro

Ineltro AG is a private held independent **Technical Distributor** and **Solution Provider** with main focus on:

- **Renewable Energy Management and Power designs**
- **Measurement and Sensor technology**
- **Industrial Control Applications**
- **Process Control and Automation**
- **Connectivity: Wired and Wireless**

In our main market segments we aim to be the Leader in Design-in Activities for Electronic Components, IoT / M2M Solutions and Embedded Computing Applications.

# History...

- 1943 Wolfgang A.T. Moor founded W. Moor, Technischer Industriebedarf, Zürich
- 1990-94 Elektrowatt takes over all Moor Companies (Including Ineltro AG)
- 1995 Electron House Plc UK takes over all activities of Eurodis
- 2005 MBO by Hanspeter Zaugg and Marc Hunziker
- 2006 Aaeon Partner Award Fastest growing Partner European Network
- 2008^ Best Supplier Award “Bison” from Cedes a key partner of Schindler Elevator
- 2010 Kontron Partner Award 3rd Place Turnover. Global Partner Network EMEA
- 2012 Kontron Partner Award 3rd Place Turnover. Global Partner Network EMEA
- 2013 Kontron Partner Award “Best in distribution”. Global Partner Network
- 2013 Marc Hunziker owns 100% of Ineltro Shares

## Ineltro's offering and strength:

- Broad but focussed portfolio
  - Embedded Computing, Input Devices, Peripherals
  - IoT / M2M Solutions
  - Electronic Components
- Design-In / Project Support
- Logistic Services from local stock in Switzerland
- Value Added Services
- Realizing your Ideas ...
