Declaration of Conformity:

We declare, to the best of our knowledge, that the products identified above and its factory-installed components comply with the RoHS Directive 2011/65/EU (RoHS II) (Restriction of the use of the Hazardous Substances) by technical construction.

To achieve this, we certify to the best of our knowledge that the products identified above have never contained or have never been contaminated during fabrication process by the following substances above the allowable limits of the directive: Lead, mercury, cadmium, hexavalent chromium, polybrominated biphenyls (PBB) or polybrominated diphenyl ethers (PBDE), including Deca-BDEs.

The products identified above have been evaluated regarding RoHS exceptions expiring Jan 2nd, 2013: "7(c)-III Lead in dielectric ceramic in capacitors for a rated voltage of less than 125VAC or 250VDC" and "11(b) Lead used in other than C-press compliant pin connector systems".
